MILAN ITALY 16-20 JUNE 2019

48TH International Symposium on High-Performance
Liquid Phase Separations and Related Techniques

University of Milano-Bicocca, Milan

HPLC APP

HPLC APP is a significant feature of the Event and it is no longer just an electronic version of the Congress Guide, but an essential part of the delegates' experience within the Symposium.

The App has been created to respond to requests of effective digital tools for participants:

- Constant and daily updates
- Makes active participation easier
- Gives important information about Milan, points of interest and transportation

Access the App in two easy steps

1. **Download for free** from the main markets (App Store and Google Play)

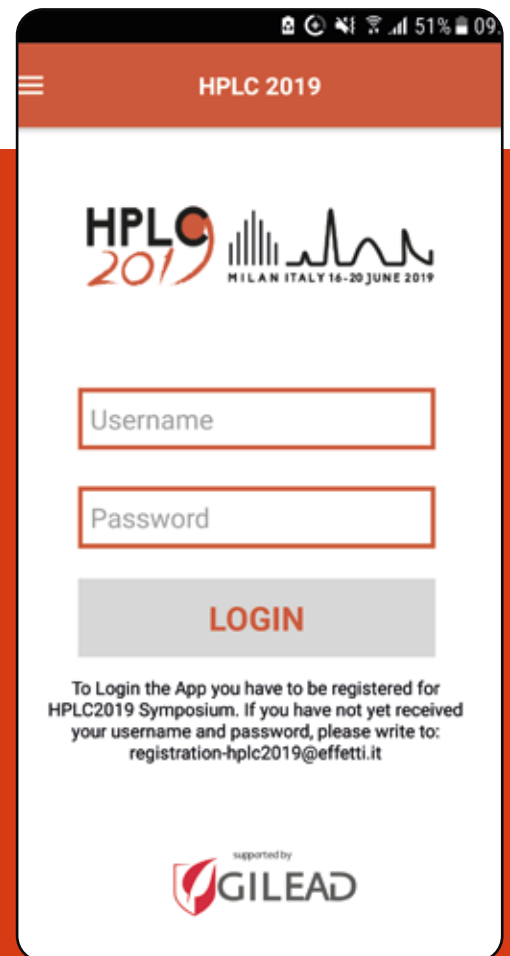

System requirements for the HPLC 2019 app:

- Android 6.0+
- iOS 10+

2. **Login App:** Enter username and password sent by the Organizing Secretariat Effetti to all registered Delegates

If you did not receive username and password, please write to registration-hplc2019@effetti.it

*Now you can browse
the HPLC 2019 App!*

HOME	Simple and immediate with a usability designed specifically for the Symposium. Each Menu item corresponds to a precise and useful feature	
MY BUSINESS CARD	The most innovative App's function is My Business Card: the electronic QR Code contains User's information (name, surname, e-mail and profession). Users show their QR code, instead of giving their own business paper card	
MY AGENDA	Before and during the Event Users can customize their own Agenda using this function. HPLC2019 App will create the list of favorite selected Lectures in a chronological order	
COMMITTEE	The list of HPLC2019 Scientific, Permanent and Organizing Committees: names, surnames, Institutes and curriculum of Committee members	
PROGRAM AT GLANCE	Users discover the Symposium Program, rooms and timetable in a quick and practical way	
PROGRAM	Complete Scientific Program day by day with detailed informations about each session (title, speaker, time, room). Users can also select favorite Lectures, clicking on the calendar icon: those will be saved in My Agenda item	
KEYNOTE SPEAKERS	More than 70 Speakers are involved in different Scientific Sessions during the 5 days of the Event. In Keynote Speakers item Users can find: names, surnames, Institutes and curriculum	
ABSTRACTS	A useful Abstract Repository for all Users: all Lectures and Oral Presentations will be stored here. Users can search Abstracts by keywords: author's name, by Abstract ID etc.	
AWARDS	During HPLC2019 days the winners of 7 Special Awards will be announced. This Menu item contains the history and many other information about each Award	
SPECIAL EVENTS	Two brand-new Special Events proposed for the first time in the long history of HPLC Symposium: Separation Science Slam and HPLC Tube. Explore more details of these innovative Scientific Contests	
SOCIAL EVENTS	Opening Ceremony, Gala Dinner, Farewell Drink: 3 Social Events at HPLC2019 in 3 different special locations. Date, time and details available here	
HPLC SOCIAL	Direct links to HPLC2019 Social Network Pages. Stay connected and post contents, pictures, stories! #HPLC2019	
EXHIBITORS	The Congress Center is on two floors at Milano-Bicocca University. From here Users can find all Exhibitors, their position, as well as other points of interest	
TRANSPORTATION	Most participants are foreigners: HPLC2019 App includes a section dedicated to public transports and the most used Apps in Milan for car and bike sharing	
MESSAGES	A useful function to receive Messages from the Organizing Secretariat in real time	
USEFUL LINKS	Dedicated to the most useful links and numbers: Organizing Secretariat, Milan & Entertainment, Pharmacies and more...	
NOTES	Users have the possibility to take notes during Scientific Sessions and send them to their own e-mail addresses
